SCHUCKL CANNERY AT NILES WILL REMAIN IDLE DURING SUMMER

APRICOT GROWERS SIGNING PACT TO DRY SEASON'S CROP

Forty Dollars a Ton Is Asked for Fruit This Year

Carrying out the threat made at a meeting in Centerville three weeks ago, more than seventy per cent of the Washington township apricot growers have signed an agreement to dry all of their fruit this summer unless canneries agree to pay $40 a ton for choice apricots.

According to John Furtado, one of the leaders in the movement, it is expected nearly all the apricot growers in southern Alameda county will stand behind the drying plan. It is said growers all over the state are signing an agreement to dry the fruit unless the price set is obtained.

In order to get a fair price for the apricots and to increase the membership of the organization, representatives of the California Prune and Apricot Growers' association are making a canvass of this district.

Announcement of the canneries' prices have not been made yet. The average price paid for the fruit last year was $20 per ton, with a top price of $35 for the best of the crop.

Birthday Party Is Held at Niles

In honor of the birthday of her niece, Madeline Whittlesey, of Richmond, Mrs. William Helm was hostess at a party at her home in Niles Saturday night. An entertaining social evening was enjoyed by the guests.

Those present were Mr. and Mrs. C. A. Linnell, Madeline and Marjorie Whittlesey, all of Richmond, Sam Kerns, Milton Fournier, Herbert Oliver, and Mr. and Mrs. William Helm, all of Niles. The two Whittlesey girls are singers over the radio.

Many to Be Deprived Of Usual Summer Work

Coming as a surprise and a disappointment to many Niles people was the announcement last week that the Schuckl cannery will not operate this summer as in former years.

Over a hundred people which the plant employs when operating at full capacity will be deprived of work this summer as the result of cannery officials deciding not to open the summer canning run scheduled to begin about July 1.

Most of the Schuckl canning this year will be done at the Sunnyvale plant, according to George Hook, Niles cannery superintendent. Two of the large cookers from the Niles plant have already been moved to Sunnyvale and other equipment is expected to be moved later. Several of the men employed regularly at the Niles canneny will receive employment at Sunnyvale, according to present plans.

The Niles plant will not operate until about October when a short fruit salad run will commence.

Although rumors were afloat that the Booth cannery at Centerville also will not operate during the summer, it has been announced the plant will run.

Dismiss Drunk Driving Charge In Niles Court

Insufficient evidence led Judge J. A. Silva to dismiss charges of driving while drunk against C. F. Archer, of Selma, in the Niles justice court Tuesday afternoon.

Archer was arrested Sunday by Captain L. A. Eike, of the state highway patrol, while sitting at the wheel of a car stopped along the highway near Centerville. He admitted to having drunk some wine tonic, but claimed he was not the driver of the car. The driver had left and was not apprehended.

After pleading guilty to a reckless driving charge, Judge Silva sentenced the man to five days in the county jail and withheld committment.

RODERICK TO CONTINUE NILES NIGHT PATROL

Present Patrolman Extends Beat to include All Back Streets

Extension of police patrol to include all the streets in Niles was announced this week by Night Patrolman Arthur Roderick, who will continue to act as the night officer in Niles, in spite of recent attempts to establish a supervised system to patrol the town.

Roderick has obtained a large number of residential subscribers on Second, Third, Vallejo as well as all the intersecting streets during the past two weeks, and from now on will patrol this entire territory in addition to the business section which he patrolled before. All the former subscribers were willing to retain the services of Roderick, thus eliminating any chance that the Gross patrol system would take over Niles.

Roderick has announced he will make the rounds of his new territory every hour, and will be on duty from nine o'clock in the evening until five in the morning. After he is established, he plans to obtain the services of another patrolman and include the outskirts of Niles as well.

DISMISS MAN IN STABBING AFFRAY

Testimony revealing that the defendant acted in self defense, resulted in the dismissal of charges of assault with deadly weapon against Joe Periz, Alvarado Mexican, in the Centerville justice court Tuesday afternoon. Periz was accused of stabbing John Jess, of Alvarado, with a knife in Alvarado two weeks ago.

Judge J. A. Silva dismissed the case when evidence submitted at the preliminary hearing in Tuesday's court indicated that Jess had been under the influence of liquor and had gone to Periz's home in search of trouble. Jess is said to have fired several wild shots about the house with a gun and bodily attacked Periz, who drew the knife in self defense. The wound almost touched Jess' heart.

CHURCH GROUP HEAR MISSIONARY ADDRESS

Speaking on Christian religious work being done in India, Mrs. Evelyn Nicholls-Rey featured the services at the Niles Congregational church last Sunday.

The speaker has been engaged in missionary work for approximately thirty years at the mission station in Assam Province, India, and is well acquainted with conditions existing there. She was the guest of Mrs. J. L. Adams during her stay in Niles. The two are old acquaintances.

Of interest to those attending the services Sunday was the beautiful display of colored scarfs, laces, trinkets, and other native exhibits, Mrs. Nicholls-Rey brought from India. She appeared in Indian costume during her address, and also sang some Indian songs.

SWAINSONS LEAVE ON MOTOR TRIP TO THE EAST

Mr. and Mrs. Owen Swainson left this week in their new car for a combined business and and pleasure trip to New York City. They will travel east via Needles, Flagstaff, the Grand Canyon and Denver and return via Niagra Falls, Chicago, and the Yellowstone National Park.

In New York, Mrs. Swainson will receive personal attention instructions from the headquarters of the Zotos Permanent Waving Corporation, for which Swainsons are now Niles agents. On their return they also will attend the National Hairdressers' convention and beauty show in Chicago to be held August 22, 23 and 24. Mrs. Swainson's home in Boston also will be visited during the trip.

The Swainson beauty salon in Niles will be under the direction of Mrs. Jeanette Muller, during the absence of the owners.

Niles Delegate Leaves For State Convention

Mrs. M. L. Fournier left Sunday for Merced where she will attend as a Niles delegate, the Native Daughters state convention being held this week. Her sister, Mrs. Gladys Noce, is a candidate for the highest office in the order in the elections to be held at the convention.

Dr. and Mrs. R. H. Bennett and family visited relatives in Berkeley Sunday.

TAXPAYERS ENDORSE STATE INCOME TAX AT CENTERVILLE GATHERING

NILES PREPARED FOR TORRID BALL CONTEST SUNDAY

Legion "Navy" Men To Attempt Sinking of "Army"

Although united in the service with a common purpose during the World War, the Washington township American Legion "navy" members will stage a battle royal against their brother "army" men Sunday morning on the Niles grammar school grounds, when the long heralded baseball clash for the township championship takes place.

All the exciting action of a clash between sea and land forces is promised in Sunday's contest when the "navy" nine will enter the fray with all their big 'ships" primed to sink the hopes of the land lubbers for a victory. The "army" men with equal expectations of scuttling the seamen will unlimber their big guns and attempt to bombard the Salts with a barrage of base-hits that will soon send them to cover.

Both teams have been drilling hard to perfect an attack which the enemy will find difficult to penetrate, and in spite of the fact that most of the participants laid away their baseball gloves and spiked shoes years ago and now are addicted to stiffened limbs when cavorting at too fast a pace, ability at the game is still apparent.

The "navy," who has only a small number from which to pick their nine, rest their hopes for triumph upon E. D. Bristow and Robert Vieux, who can be expected to treat the fans to a rare exhibition of submarine tactics as they torpedo the ball across the plate in defiance of "army" sluggers, reputed to be found in abundance among that group. It has not been announced who will perform on the mound for the "army," but Frank Vargas, legion commander, promises a fast twirler will be on hand.

Winners of the battle will be treated to a feed to be cooked and served by the losers.

Over 100 Signatures Obtained to Petition For Measure

An unanimous approval of the state income and sales taxes to relieve the tax burden on farms and real estate in California was voiced at the southern Alameda county taxpayers' gathering held at the Washington Union high school in Centerville, Saturday night.

Everyone present signed the petition which was circulated at the close of the meeting and which is intended to place the tax measure, sponsored by the Alameda county farm bureau on the November ballot. The farm bureau plans to obtain 100,000 signatures to the proposal in order to place it on the ballot.

Speakers at Saturday night's meeting were Von T. Ellsworth, head of the research department of the California Farm Bureau federation, and J. J. Deuel, head of the federation's law and utility department. Richard C. Kennedy, of Hayward, president of the county bureau, presided. There were over a hundred taxpayers present.

It was explained by the speakers that the tax measure is expected to shift the state tax burden from real estate to a basis of income. It is intended as an initiative bill for the November ballot.

Niles Church Will Close for Vacation

The last preaching service at the Niles Congregational church until some time in August, will be held next Sunday. The church will be closed during the month of July for a vacation, although the Sunday school classes will be held regularly as before.

Mr. and Mrs. J. J. Alberg and family, Mrs. Charles Hiser, Mr. and Ms. Tom Elliott, all of Niles, Mr. and Mrs. Raetz and daughter, Mrs. M. Azeroth, all of San Francisco, and Mrs. Barr and daughter, Minnie, enoyed a picnic in Niles Canyon Sunday.

Mr. and Mrs. F. V. Jones are spending a week at their summer home in Santa Cruz.

NILES CHAMBER DECIDES TO REPAINT PARKING STRIPS ON FIRST STREET

Receive Invitation to Participate In Fete at Pleasanton

Decision to repaint the parallel parking strips in the "bottleneck" on First street, Niles, as soon as the present lines become difficult to distinguish, was the chief business transacted by the Niles Chamber of Commerce at their regular luncheon Monday noon.

Under the motion adopted by the chamber the entire parallel line will be repainted and two feet of the vertical line extending toward the sidewalk. George Bonde is chairman of the committee authorized to carry out the work.

A letter was read at Monday's meeting by A. J. Petsche, secretary, from the Pleasanton Junior Chamber of Commerce extending an invitation for the Niles civic body to take part in the Fourth of July celebration to be held at Pleasanton, July 2, 3 and 4. Action on the invitation was postponed until next week's gathering when it is expected more members will be present.

A communication also was read from the Riverside Chamber of Commerce relating an interesting experiment performed by that commercial body to stimulate business in the community. Under the plan the Riverside chamber provided ten persons ten dollars each with which they visited ten individual business houses in the city, making only a small purchase in each store to begin but open to spending the entire ten dollars if those waiting upon them suggested or made remarks relative to buying other goods. Although the customer lingered about each store before and after the purchase,

YOU MIGHT TRY THIS WHEN BROKE AND ARE HUNGRY

Whether it was a new and inenuous method of obtaining a meal or whether the man imbibed too heavily of denatured alcohol will remain a question, but a transient was found Friday night in a Southern Pacific freight car at Niles, emitting terrible groans and apparently at the point of expiration. Beside him was a half filled bottle of denatured alcohol.

Constable O. W. Ebright, who was called, bought the man two hamburger sandwiches and a bottle of milk. When he returned later the sufferer had disappeared.

SHINNS TO RETURN

Mrs. J. C. Shinn and daughter, Elizabeth, and son, Allen, are planning to return to Niles some time next week. Allen who has just graduated from the naval academy at Annapolis will leave for the canal zone July 1, where he will be stationed.

'TOO DRUNK' SAYS MAN BUT GETS 30 DAYS

"Too drunk to remember" was the only answer Morse Lopez could make to charges of stealing two cans of milk, two packages of cigarettes, and two dozen eggs from the car of Frank Guerra in Alvarado Sunday.

The excuse was not enough to satisfy Judge J. A. Silva, who sentenced Lopez to thirty days in the county jail Monday afternoon in the Niles justice court.

Guerra had left the goods in his car and returned to find them missing. Lopez recalled having taken the two cans of milk, but when it came to the other articles, he claimed liquor had impaired his memory.

LEAVE FOR VACATION

Charles Hiser left Thursday of last week for a two weeks' vacation to be spent at Clear Lake and other resorts in that vicinity. He was accompanied by Charles Middleton, also of Niles.

EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

QUIT THE BOYS COLD

Ex-Governor Richardson has thrown down his editorial pen and picked up a state warrant. The pen will lie idle, but each month he will grab a new warrant and lick his monster chops over a soft political job at good pay.

All his idealistic stuff about "giving the boys a chance"proved poppy-cock. He bought a controlling interest in the Alameda Times a few months ago to help along the family of Sherman McDowell, his old friend who had just died, and at the same time give his own son and the son of his friend a chance at the newspaper game. With the Times as a lever on the play-boy governor, Richardson managed to land with all four feet in the state house after an absence of several years on his own. Securely ensconced in the office of corporation commisioner, last week he chucked his paper off to an Oklahoman, and left his son and the son of his old friend high and dry.

Working for a living was just too much for the former errand boy of Harry Chandler, political king pin of Southern California and Mexican land baron. We were hopeful that in his declining years the former governor of this great state might decide to do something worth while—make an honest living by the sweat of his brow, and the rattle of his typewriter. But not so. After three months of work, he throws up the sponge and goes back to guzzle in the public trough.

SCOUT TRAINING BUILDS CHARACTER

NILES HAS, perhaps, one of the most active boy scout troops in California. We have never seen such interest in a boy's organization. Many of these lads spend spare moments in the Register office. We marvel at their good behavior and gentlemanly conduct. Clean, physically and morally, we take our hat off to the boy scout chairmen who have trained these youngsters.

Unselfish in their devotion to the coming generation of Niles, these men have builded better than they know. They have invested heavily in boyhood, and the harvest will be a better Niles, a greater California and a grander America.

DEPRESSION TAKING ITS TOLL

WE LEARN through a paper sent us by a friend in Yuma, Arizona, that a bank, financed by Bisbee capital, has opened in Yuma giving the first banking service that place has had since April 15. Three banks have failed. For a period of two months, Yuma, a city of something like seven thousand people, has gotten along without banking facilities. That gives one an idea of the conditions elsewhere. We are so well off here in Ala-

Pleasanton Man Serves as Scout Leader at Camp

V. Bernard Johnson Leaves Tuesday for Camp Dimond

V. Bernard Johnson, scoutmaster of the Pleasanton Boy Scout troop, left last Tuesday for Camp Dimond where he will serve for one camp period as a troop leader in charge of 24 boy campers.

Johnson is one of ten men selected from the entire Oakland Area Council to serve as a leader at the Boy Scout camp. Harry G. Clarke, scoutmaster of San Leandro Troop 7, is the only other leader to be selected from the southern Alameda county division of the council.

The "Eagle" troop, which includes boys from Hayward, Niles, Livermore, Irvington and San Leandro, is the group assigned to Johnson for the June 14-23 period.

Over 225 Boy Scouts are assembled at Camp Dimond in the Oakland foothills for the second camping period, a larger group than were present on the opening day after school, June 4.

This is the first year that Johnson has attended the Boy Scout camp as a leader, though he is a veteran Scoutmaster in Pleasanton.

A special period at Camp Dimond for Pleasanton, Livermore, Del Valle and Sunol troops has been scheduled for July 5-10 by the group with Irving P. Beesley, field executive of Southern Alameda county as director of the camp.

These troops will visit camp for the period with absolutely no charge. They will bring their own food and cook their own meals. In other respects the camp's scheduled activities of swimming, scoutcraft, campcraft, nature lore, Indian lore and campfires will remain the same as the program now being conducted under the personal direction of Homer J. Bemiss, executive of the Oakland Area council.

"This is the first year on record that troops of this area have combined to hold their own camp at Dimond under their own leadership," Beesley said.

COMFORT for **COLICKY BABIES**

. . . THROUGH CASTORIA'S GENTLE REGULATION

The best way to prevent colic, doctors say, is to avoid gas in stomach and bowels by keeping the entire intestinal tract open, free from waste. But remember this: a tiny baby's tender little organs cannot stand harsh treatment. They must be gently urged. This is just the time Castoria can help most. Castoria, you know, is made specially for babies and children. It is a pure vegetable preparation, perfectly harmless. It contains no harsh drugs, no narcotics. For years it has helped mothers through trying times with colicky babies and children suffering with digestive upsets, colds and fever. Keep genuine Castoria on hand, with the name:

Chas. H. Fletcher.

Constable Apprehends Pleasanton Youths

Vincent Ingraffia, of Oakland, was picked up in Pleasanton last Wednesday by Constable Al Vervais as a suspicious character and later released after investigation.

Vervais was patroling the Vallecitos road in the hopes of finding the person or persons who have been stealing gas and oil from the road equipment being used to repair the highway. He came upon a parked car with no one in or around it. After parking his own car around a turn in the road and returning on foot, he found three youths getting into the car. They drove hurriedly away upon sighting Vervais.

The constable gave chase in his own machine and stopped them just within the Pleasanton city limits.

Four shotguns, one loaded, were found in the car. After holding them for several hours, Ingraffia and his two companions were released for lack of evidence.

meda county that we little appreciate the actual deplorable conditions of the country in general.

Blythe, in this state, and about two hundred miles north of Yuma, has had no bank for over a year.

Both of these towns the writer is very familiar with. When a young man we spent many months in Yuma. At that time, a more prosperous town could not be found in America, but the depression in agriculture weakened it and during the general hard times of the past two years it sank completely under the load. Blythe, dependent upon agriculture almost altogether, has gone from bad to worse. Five years ago we spent a week there. From one of the best little cities in California even then, when it was beginning to slip, now nothing but gloom stalks its dreary streets.

Hollywood, the home of the princely salaried folks, has not escaped. The First National Bank of Beverely Hills has closed its doors. Once sitting on the top of the world, many of our favorites of the screen have been reduced overnight to absolute poverty. Report says that Greta Garbo has lost her fortune, and instead of going back to her dear Sweeden she must sign up and go back to work on the Metro- Goldwyn lot.

Every normally constituted person is hurt by the klowledge of disaster. It is a terrible thing to see your all swept away in a year or overnight. Tragedy stalks over the land. The government is apparently helpless to relieve the situation. Nothing but the fear of God and great wisdom will ward off a staggering catastrophy. We need a leader of tremendous ability, of unassailable integrity, and the courage to strike at the root of evil—special privilege and the unequal distribution of wealth—to save us from utter debacle.

ENTERTAINING PLAY STAGED AT FINAL COUNTRY CLUB MEET

Fall Luncheon Scheduled For Tuesday, September 6th

Featuring a program presented by the dramatic section under the direction of Mrs. Barton Webb, the country club held its last meeting of the season at the club house in Centerville Tuesday afternoon, June 14. Mrs. F. T. Dusterberry, of Centerville, acted as chairman for the program and in commending the dramatics section, she read a beautiful definition of friendship.

A one-act play, "The Flying Grandmother," written by Harriet H. Haslett, of Alameda, presented by an able cast, entertained the members during the afternoon. Mrs. Howard Chadbourne, of Centerville, portrayed the attractive grandmother, Mrs. Emma Richards, in her "flighty fifties," while Mrs. Earl Townsend, of Niles, personified her daughter, Elizabeth, with her own ideas as to the type of life her mother should live. Mrs. C. E. Anderson, of Centerville, played the part of Marian, the daughter-in-law, who was unable to conceive of how grandmother's interests could extend further than her grandchildren. Mrs. August May, of Alvarado, provided many laughs and some modern ideas for the audience in her able characterization of Cynthia, the business woman. Miss Frances Anderson, of Centerville, in the part of Susan, was a very attractive and efficient maid.

Other highlights of the afternoon were a short talk on the history and work of the dramatics section by Mrs. Josephine Brown, of Newark, and the rendition of three beautiful piano numbers by Miss Estelle Martenstein, of Niles.

Announcement was made that the fall luncheon of the club will be held Tuesday, September 6.

RADIO SPEAKER URGES NORMAL BUYING HABITS

Breathing the spirit of confidence, William M. Garland, chairman of the Olympiade Committee and a realtor and financier of national reputation, last Saturday night urged all Californians to return to habits of normal living and spending in order to speed Bank of America's "Back to Good Times" movement. Garland spoke from Los Angeles over station KFI and KGO.

It is a historical fact, Garland declared, that every depression has been followed by good times. As individuals, he asserted, we can hasten or retard but we cannot prevent the ultimate return to good times.

Among the suggestions made by Garland for individual participation in the "Back to Good Times movement are the following: Attain full confidence in one's community, state and nation. Those gainfully employed should take advantage of the increased purchasing power of the dollar by spending wisely and well.

"All over California, thoughtful people are returning to normal buying habits—and they are getting some of the greatest bargains of their lives," said Garland. "Building materials, automobiles, clothing and high grade merchandise of every kind are being sold at temptingly low prices.

Every dollar deposited in a bank today will help speed industry, business and employment. Surely the return of good times is strictly up to each of us.

"According to figures compiled by the All-Year Club, every tourist to California, during 1931, made an average expenditure of $260 and 1,036,730 visitors came into Southern California, later touring the state. Surely, here is another tremeudous lift which will aid California in leading the nation to sound prosperity."

Dr. and Mrs. G. S. Holeman and family spent the week-end visiting friends at Pinecrest.

CENTERVILLE GIRL HONORED WITH DEGREE

Among those to receive degrees at the Stanford University commencement exercises held Monday was Jewel Anderson, daughter of Mr. and Mrs. Robert Anderson, of Centerville. Miss Anderson received a Bachelor of Arts degree in history, and was among the leading scholars in her class.

She is a graduate of the Washington Union high school where she also displayed marked scholastic ability. She completed her grammar school and high school education in eight years.

Miss Anderson will do practice teaching in Sequoia Junior high school at Redwod City next year and at the same time continue her work at Stanford University. She will teach under D. J. Gatchel, a former member of Washington Union high school faculty.

LAST RITES HELD FOR DECOTO WOMAN

Funeral services for Georgia Gober, of Decoo, were held from the Boaelho chapels in Centerville Sunday afternoon, with intrement being made in the Invington cemetery.

Mrs. Gober died last Thursday of pneumonia at the Highland hospital in Oakland. She was forty-three years of age at the time of her death and had resided in Decoto for a number of years. Several relatives living in the east survive.

Four cases were continued until later dates, and warrants were issued for two offenders who failed to make an appearance.

WASHINGTON HIGH SLUGGER TRYS OUT WITH COAST CLUB

Manuel Fontes Makes Impressive Showing With Oaks

Prospects that another Washington township youth may join the ranks of others from this territory who have won honors in coast and major baseball competition are bright as the result of a tryout given Manuel Fontes, of Mission San Jose, by the Oakland ball club last week.

Fontes, who graduated from the Washington Union high school this spring, scintillated with the willow for four years on the high school team and was responsible for more than one victory won by the Washingtonians due to his effective bat.

Jess Regli, Washington Union high school atletic coach, who took the prospect to Oakland, said Fontes made an impressive showing during his workout with the Oaks, and attracted the eye of Manager Carl Zamloch. Fontes will be given another opportunity to try out with Oakland when that team plays in San Francisco next week.

Sport World Stars Fined At Centerville

"Jumping" Joe Savoldi, former Notre Dame gridiron star and contender for the world's heavyweight wrestling championship, and Jose Santa, well-known heavyweight prize fighter, may be "tough" in the ring, but they were just plain ordinary traffic violators to Judge Allen G. Norris, who fined them $5 each in the Centerville justice court last week on speeding charges.

MOVE TO NEW HOME

Mr. and Mrs. E. B. Hodges and family have moved to the cottage located by the church rectory on the Newark corner. Mr. and Mrs. A. J. Rathbone and family will move into the house vacated by the Hodges on July 1.

P.-T.A. Achieves Record Of Merit During 1931-32

The Niles Parent-Teachers' Association passed through an active year during the 1931-32 school session, it was revealed by the annual report just issued by Mrs. Mary Solon, the organization's historian. Several achievements of considerable value to the school children was listed among the activities of the year.

The history for the year follows:

The group began its sixth year with a special meeting at the Niles library July 8, 1931, with Mrs. Winifred Bendel, president, presiding. A difficult problem coming up for much discussion at that time was whether the school cafateria should be continued. Decision finally was made to add extra dishes to the menu, a plan which worked out satisfactorily.

With the treasurer reporting a low balance of $2.98 from the preceding year, the problem of upkeep was disturbing. In order to aid the cafateria fund, a card party was given by the grammar school teachers, netting $41.75. It was the first social event of the season. In spite of this valuable aid, the cafateria still reported a monthly deficit. The plan of raising the price of lunches from seven to ten cents had been tried at a previous time and had resulted in failure, therefor the organization called upon the Niles school board of trustees for aid. The board agreed and beginning December 1, 1931, contributed $25 a month on Mrs. Carthy's salary, which was greatly appreciated.

On November 12, 1931, a turkey whist party was given by the Parent-Teachers' Asociation which netted $40.42.

At Christmas time bowls of bulbs were given all the children reported ill.

Increasing the membership to fifty-nine, a drive held January of this year was a huge success. The sixth grade brought in the largest number of members and was rewarded by being given an evening party.

Among other social activities, a road show was held January 15, in the Veterans' Memorial building, which netted a profit of $7.00 after all expenses had been paid. A profit of $26.60 was reported from the Niles Chamber of Commerce luncheon held February 23. The luncheon was highly enjoyed by the chamber members.

Mrs. Bendel arranged on March 7 to have the seventh and eighth grades compete in an art appreciative contest, the winning esay being written by a Hayward high school student.

At the annual council meeting held in Sunol, Mrs. Bendel took an art exhibit from the sixth, seventh and eighth grades to display in the annual art exhibit. The special art students from the Niles school attended this gathering and their work received much favorable comment.

The plan of a different grade entertaining the Parent-Teachers' Association with some of their daily work at each regular meeting was carried out with fine results this year.

To a number of under-nourished children, approximately ten, free milk and five free lunches were given daily throughout the year. This represented a sum of about $114. The cafateria reported 9,969 children fed from September 14, 1931, to May 27, 1932.

A donation of $10 was made by the organization to the Washington township health center in appreciation of their services in connection with pre-school health examinations. A sum of $5.00 was contributed to local welfare work and there were several lunches of a dollar or two.

The bank balance of the organization at the last meeting revealed that the efforts of a few faithful members have increased this balance very little, and intensely as the members worked, it was noted that the profits from the ways and means of making money this year were unusually low, probably due to economic conditions. Without the aid of the board of trustees, which amounted to $175, the cafateria would have shown a deficit of $155 for the year. The total amount of money handled by the organization throughout the year was $1,924.72, which is a considerable amount for a group of women to administer.

The reason for the deficit in the cafateria, according to Parent-Teachers' Association members, is due to the large number of free milks and lunches served and the low amount charged for paid lunches.

MORE ON NILES CHAMBER

(Continued From Page One)

giving the clerks every opportunity to make further sales, the ten persons returned with very little expended over the amount needed for the original small purchase. This revealed, according to the Riverside civic group, that business houses have become so imbued with the idea that customers have no money to spend that they made no effort to further their sales. Making the results of this experiment public would lead to a greater effort by business men to stimulate business, believed the Riverside chamber.

Although this experiment will not be attempted by the Niles chamber, it was the opinion of those who commented upon it at Monday's meeting that its implications were true and business men might well heed to the suggestions if offered.

E. F. Glassbrook, vice-president, took charge of Monday's gathering in the absence of F. V. Jones, president, who is spending the week in Santa Cruz.

Lester Duffey was appointed committee chairman to arrange for next week's meeting, which will be the last held until September, the chamber adjouring for the summer vacation.

Race for Goddess of Liberty Is On

A list of candidates for the Goddess of Liberty, to reign over the Pleasanton Fourth of July celebration on July 2, 3 and 4, has been posted in the Post Office.

Votes for the Goddess of Liberty may be secured from several of the town merchants with each twenty-five cent purchase. The present list has a number of candidates on it, but in the middle of next week the four leading will be declared officially nominated and the remainder will be dropped from the race.

The four leading at present are as follows:

Mrs. Ray Hansen	102
Dagmar Orloff	67
Elva Escobar	67
Beverly Rosa	50

Pleasanton Farm Home Department Attends Picnic

Annual County Affair Held in Dublin Canyon Park

Approximately sixty members of the Pleasanton Farm Home Department attended the Alameda County Farm Home Department annual picnic at Wilkins park in Dublin Canyon recently.

There were over five hundred present at the gathering. All were members of Farm Home departments in Alameda county. This picnic was the largest ever held, according to officers of the organization.

A picnic lunch of hot dogs and buns, salad, and coffee opened the affair. Following the lunch a number of plays were presented by several Farm Home departments from Hayward.

The remainder of the afternoon was enjoyed playing cards. This picnic was held exclusively for members of Farm Home Departments in Alameda county.

Kiddies' Parade Creates Interest in Pleasanton

Entrants' Names To Be Turned in Before June 29

That increasing interest is being taken in the "Kiddies' Parade," which on the night of July 2 is to start Pleasanton's big three day celebration, is the announcement made last week by Charles S. Graham, chairman of the parade committee. The celebration will include parades, street dances, horse races and a horse show, besides many other attractions.

According to Graham, the "Kiddies' Parade," which is under the direct supervision of Mrs. Hugo Radbruch and Mrs. D. Huddleston, has been developing keen rivalry among the youngsters, and it is expected that children will appear in many strange and startling costumes. Pets of all kinds are to be entered in the parade.

In order that the opening event of the celebration may be handled without any hitch, and that every youngster desiring to participate may be assigned an appropriate place, prospective entrants are urged to get in touch with Mrs. Huddleston or Mrs. Radbruch not later than June 29.

It is expected that many of the children will be mounted on horses and ponies, and in order that perfect safety to the young riders may be assured, mounted officers will patrol the line of march. No fireworks, cap pistols or other noise making contrivances will be permitted during the parade.

The parade is to be divided into four groups—walking (with or without pets), mounted, wheel, and group. A first and second prize will be awarded to each of the two winners in each of the four divisions.

Pleasanton Folk See Yountville All Day Affair

American Legion Day Draws Crowds From Many Cities

Approximately forty of the American Legion Post and Auxiliary, of Pleasanton, attended the "American Legion Day" gathering held at the Yountville Veteran's Home last Sunday.

There were about ten thousand from throughout central California present at the affair. All were served a veal barbecue and were taken through the new home. The afternoon was devoted to sports, such as baseball, dancing, entertainment, and boxing.

The Berkeley post's drum and bugle corps won the contest for such corps, and the Napa Legion Auxiliary won the women's drill team contest.

Among those who attended from Pleasanton were Mr. and Mrs. Henry Lanini and family, Mr. and Mrs. Paul Pelle, Mr. and Mrs. Homer Allison and family, Mr. and Mrs. Charles Fiorio and family, Mr. and Mrs. J. P. Sorensen and family, Mr. and Mrs. J. W. Sheffield, Mrs. Mary Stoval, Bessie Helms, Mr. and Mrs. Joseph Leitch and a number of friends, and Norman Crommie and friends. Mrs. E. Appersen and Conrad Westling, of Sunol, were also present.

Fifty and Fit

A MAN is as old—or as young—as his organs.

At fifty, you can be *in your prime.*

Why go along with "fairly good health" when you might be enjoying vigor you haven't felt for years?

There's a simple little thing anyone can do to keep the vital organs stimulated, and feel fit all the time. People don't realize how sluggish they've grown until they've tried it. The stimulant that will stir your system to new life is Dr. Caldwell's syrup pepsin. It will make a most amazing difference *in many ways.*

This famous doctor's prescription is a delicious syrup made with fresh herbs, active senna, and pure pepsin. It starts its good work with the first spoonful. That's all you need to drive away the dullness and headache of a bilious spell, and rid the system of that slow poison that saps your strength. It's better than a tonic for tired bowels, and unlike habit-forming laxatives you can take it freely or give it to any child. And it isn't expensive.

Get some syrup pepsin today and take a little tonight. Don't wait until you're sick to give your system this wonderful help. You can *avoid* those spells of biliousness or constipation. A spoonful every now and then is better than constant worry about the condition of your bowels, or fear of auto-intoxication as you grow older. Dr. Caldwell's syrup pepsin protects the system. All druggists keep this preparation.

DECOTO CHAMBER FETES STREET PAVING

Celebrating completion of a street paving program and to express appreciation to the county officials for the work done, the Decoto Chamber of Commerce held their annual abalone dinner at the fire department quarters Friday night.

Walter Walker proved his ability as an able chef by cooking a delectable dinner, while Henry May acted as toastmaster for the evening.

Fire Department Checks Four Blazes

The Decoto Fire Department was busy during the week responding to four alarms. Two were grass fires in town, one at the residence of George Cox at 607 Seventh street, and the other an attic blaze at the home of J. A. Duarte at 815 Tenth street. All fires were promptly extinguished.

Fire Officials Are Guests At Banquet

Ex-Fire Chief Sam Short, of the Oakland department, and Al Moyer, of the Castro Valley department, were guests of honor at the banquet meeting of the Decoto fire department, held last night, (Wednesday). They delivered addresses on past and present methods of combatting fires.

The banquet was in the form of a barbecue, with members of the fire department doing the serving.

Advertising Car for Pleasanton Makes Appearance

After several weeks of hard labor, the official advertising car for the Pleasanton Fourth of July celebration, sponsored by the Pleasanton Junior Chamber of Commerce, was completed and made its first appearance recently at the Gilroy rodeo parade.

The car is all in white with large blue letters advertising the Pleasanton horse races. It has a number of attractive drawings of various types of horses on it. A loud speaker unit is incorporated in its mysterious interior, by means of which the crowd may be told of the marvels to be seen at the Pleasanton's celebration. On top is a merry-go-round race track, upon which gaily painted cardboard horses with their jockeys go endlessly round and round.

The car has been engaged to take part in a number of rodeo parades. On June 26 it has been asked to be in the apricot festival parade at Brentwood. Last Sunday it took part in the Hayward rodeo parade. Almost every night and day the car will be touring through nearby cities and towns announcing the Pleasanton horse races.

Those who went to Gilroy recently with the car were Andy Jorgensen, Peter Christesen, Hans Jensen, Sam Elliott, Jack Bullene, Bud Perry and Andy Greve.

Vacation Bible School Begins in Pleasanton

Classes Start at Nine on Every Week Day Morning

Vacation Bible School for the children of the Pleasanton Presbyterian church began last Monday with an enrollment of sixty-seven.

The children are being taught craft work, sewing, art, wood toy, and Bible readings. The class starts at nine o'clock in the morning and ends shortly after eleven o'clock.

Those who are working and aiding in the instruction in the primary and beginners departments are Mrs. George Hansen, Mrs. R. C. Cross, Mrs. Peter Koopman, Joy Madsen, Carmen Cope, Mrs. J. H. Allison, Lorraine Stevensen, and Jack Kolln.

Rev. R. C. Cross has charge of the story music and memory work, but is relieved by Mrs. A. B. Casterson on Mondays.

Verna Littlefield is pianist. Mrs. Allen Henry, assisted by Mrs. Robert Turner, has charge of the sewing department. Mrs. Ole Olesen, assisted by Verna Littlefield, is directing the art classes. Edward Vervais has charge of the wood toy class. Rev R. C. Cross directs the stilts and bird house classes; and Robert Duncan, the easels.

Many Floats and Autos Expected in Pleasanton

All business houses, civic organizations, and lodges in the city of Pleasanton are expected to enter floats or decorated autos in the Fourth of July parade, to be held in connection with Pleasanton's three-day Fourth of July celebration, according to Charles Graham, chairman of the parade committee.

Graham and Ernest Schween have been busy during the past week asking the business men, lodges, and civic organizations to enter a float or decorated auto in the parade.

Prizes will be given to the best decorated float or auto in the parade. The oldest couple in the parade, the largest family, and the youngest baby will also be given awards. Henry Cook has donated ten dollars to the Junior Chamber of Commerce to go into the prize fund.

Anyone in that community is entitled to enter the parade. They may go in floats, autos, horses, wagons, carriages, or on foot. The different divisions of the parade will be named next week. Jockies and their favorite horses are expected to enter.

Livermore will have a separate section in the parade. No word has been received of their plans to the present date, but a large turnout is expected.

The Amador Valley high school band, under the direction of Harry Tripp, of Pleasanton, will furnish the music for the parade. The Mission San Jose drill team, under the direction of Miss Hazel Mendoza, of Sunol, will be seen in action. The Emeryville Veterans' of Foreign Wars bugle and drum corps is expected to take part. It is expected that the Livermore division will be headed by the Livermore band.

Horses Training At Pleasanton Track

One hundred and thirty horses are training at the Pleasanton race track in preparation for the horse races to be held in Pleasanton July 3 and 4, according to Al Johnson, of the track committee for the Pleasanton Fourth of July celebration.

The horse races will commence at two o'clock on both Sunday and Monday afternoons. Six races will be held each day, according to present plans.

The race committee has secured enough seats to comfortably seat 2,500 people at the race track.

On Monday, July 4, there will be a horse show along with the races. Every horseman in the community is entitled to enter a horse in this show. All those desiring to enter the show must send in entry blanks to the Pleasanton Junior Chamber of Commerce before Friday, July 1.

It is expected that Mrs. Charlotte Anderson will enter some fancy saddle horses in the Monday afternoon show.

By JACK TOWNSEND

Scout Leaders J. E. Townsend, E. G. Brinkmeyer, Morrison Green, Lawrence Pine, Frank Ferry, and Scouts Charles Myrick, Melvin Farmer, Vernon Ellsworth and Anthony Souza enjoyed a dinner and camp fire program at Dimond camp last Friday evening.

Scout Leaders Lawrence Pine and Jack Townsend, of Niles, and Glen Trout, of Centerville, attended Eagle court at Dimond Camp last Sunday. Pine and Trout received the Bronze Palm.

All scouts planning on attending the Washington camp and Dimond Camp, July 25 - 31 should let their scout leaders know.

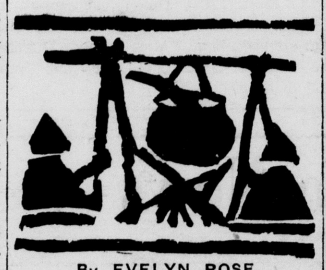
Scouts Thomas Estudillo and Jackie Parry will be visitors at Dimond camp Sunday.

Members of Troop No. 2, of Niles, visited Dimond Camp Sunday where Scoutmaster Pine received the Bronze Palm.

Scout Julius Pine, of Troop No. 1, Niles, saved the life of an Alameda ten-year-old girl while swimming in Niles Canyon Sunday.

Robert Myers, Sea scout executive, of Oakland area council, sailed Saturday on the Cutter Bear for Boston. From Boston the Cutter Bear will be fitted for a trip to the Antartic with Real Admiral Byrd in command. Myers will be missed by the Sea scouts, especially the newly organized South Seamen of Washington township. The South Seamen received thirteen life belts and other equipment as souveniers from the historic Cutter Bear.

The South Seamen have been building a wharf for their landing near Dumbarton bridge under the direction of Skipper Leslie Hiller.



By EVELYN ROSE

The Gemewuance group had a very interesting study of wild birds at their last meeting. The girls also learned how to tie knots. It was very amusing to them to study these. They learned the words to the "Boating Song."

The Tinega group of girls enjoyed themselves very much by completing the scrap books that the younger group had started. The scrap books are being made for the sick children in hospitals. The work was divided by having a few of the girls draw designs on the covers and the others sewed the covers together with rest of the book. These scrap books are being made out of cloth. The books are real attractive and interesting. The main business of the evening was the discussion and plans for the summer camp, which most of the girls in the group are planning to attend.
